First Quarter Progress Reports

## Progress Reports and Grading Scale

In the envelope with this newsletter is your child's first grade report for the year. At Arellanes Jr High, we have four quarters in each school year. For each quarter, you will receive two grade reports. You will receive a progress report halfway through the quarter to show both you and your student a picture of their grades for the grading period halfway point. These grades are not permanent marks and can still change. At the end of each quarter, you will receive a report card for your student. These grades are permanent and cannot be changed. The end of quarter grades are used to determine a student's grade point average. The end of quarter dates are:

1<sup>st</sup> Quarter: Oct 13, 2017

2<sup>nd</sup> Quarter: Dec. 21, 2017

3<sup>rd</sup> Quarter: March 23, 2018

4<sup>th</sup> Quarter: June 7, 2018

## Hancock College Career Day

Hancock College is hosting a career day on October 6, 2017. They have invited Santa Maria area high schools and junior highs to visit their campus. There will be volunteers from many different local and state businesses to meet with students and talk about careers.

Our hope is to bring our whole school to this informational day. We will need parent volunteers to help chaperone this trip. If you are interested, please call or come by the school office for a volunteer form. We will need to have all forms in by September 28, 2017. Our main office phone number is (805) 361 6820.
